

QSTECH

P1.8 & P2.5 INDOOR LED VIDEOTRON

Dirancang oleh QSTECH LED Display bekerjasama dengan CVTE, perusahaan Induknya yang terkenal dengan keahlian dalam desain elektronik dan penelitian dan pengembangan yang mutakhir. Keunggulan dari QS TECH LED VIDEOTRON adalah :

- All in One Module. LED Module – Receiving Card – Power Supply – PCB terintegrasi dalam satu Module Kabinet.
- Dirancang untuk Video Rasio 16:9 dengan ukuran module 320 x 360 mm
- Siap pasang sudut 900 tanpa modifikasi Module
- Android Controller Box. Wireless Screen Sharing, Control via Mobile Phone

All in One Module LED Videotron

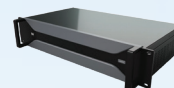

All in One Module
Module - PCB - Receiving Card
Power Supply - IC Dalam 1 bodi

Ready 90° Install
Siap pemasangan sudut.
Tanpa modifikasi module

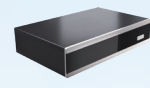

All Component by QS-TECH

Indoor Module
P1.8 & P2.5
320 x 360 mm

PCON 600 4K

PCON 200 2K

FCON 600 4K

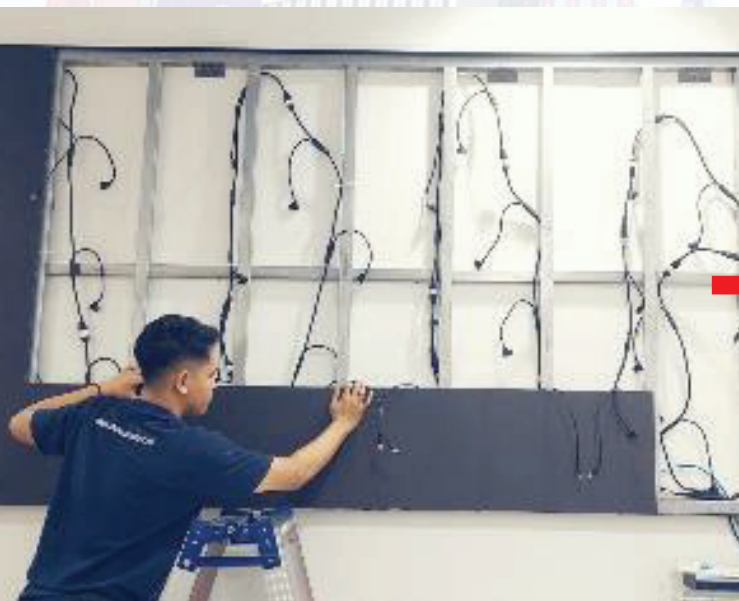

Kabel Power

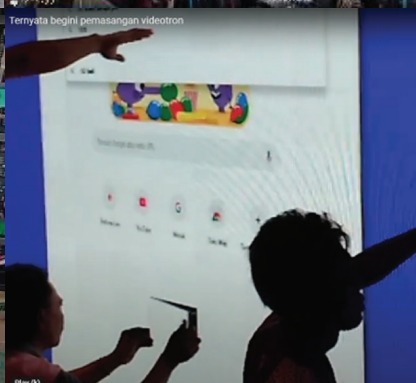

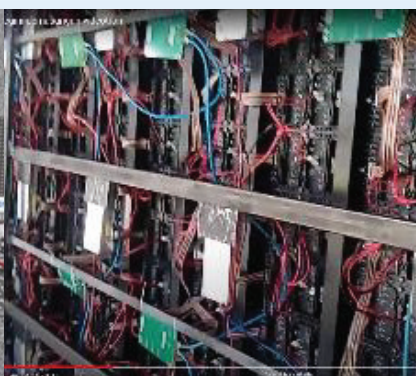

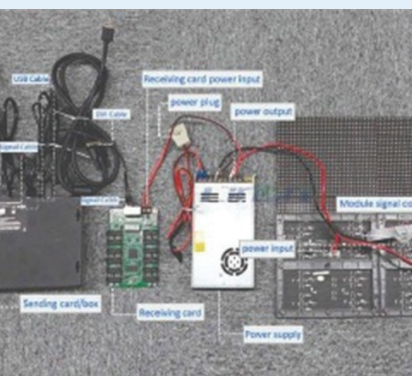

Kabel Network

Pemasangan Ringkas dan Rapi

Perbandingan dengan Videotron Konvensional

Mudah dilakukan, oleh banyak orang trampil, bahan bisa dibeli online atau di Glodok.

Keuntungan :

- Lebih murah, Terjangkau.
- Banyak yang jual.

Kekurangan :

- Unit terlalu banyak kabel, sambungan connector, rumit, tidak handal.
- Supplier tak jelas after sales service.
- Ketersediaan suku cadang ?
- Sulit install, maintenance.

Banyak Brand / Merk

Module

- Lampro
- Unilumin
- Talled
- Absen
- dll

Controller

- Novastar
- Color light
- Huidu
- dll

Power Supply

- Whoosh
- Chunglian
- Mean Well
- No Brand
- dll

Control via Mobile Phone / Tablet

Product Parameter

- Screen Sharing
- Brightness
- Remote control
- Touch Panel (mouse)

PRODUCT MODEL	QS-TECH P1.8	QS-TECH P2.5
Resolution	171 * 192 = 32.832	128 * 144 = 18.432
Resolution / m2	285.000	160.000
Maximum Power Cons	295W/m ²	
Module Size	320 * 360 * 39	
Module Weight	1.16 Kg	
Contrast	6500 : 1	
Brightness	500 nits	600 nits
Viewing Angle	117°/H, 170 °/V	
LEDs Life Time	≥100.000 h	
Maintenance Mode	Front
